As we navigate these very uncertain times we ask for your patience and understanding. The Y is here to provide support to families in our community as we have for over 120 years. Camps will be different again this year in the wake of the ongoing pandemic and we know it is likely that with the new protocols we will not have the capacity to meet all the needs of our campers. One thing has not changed – we will provide the safest and most high-quality care for your children. We are working closely with Algoma Public Health to determine the steps going forward and will provide updates when we can. For questions or concerns please continue to use email [info@ssmymca.ca](mailto:info@ssmymca.ca).

# Thank You . . .

We would like to thank our community partners that have helped make this season's Summer Day Camps spectacular.
