We never met a kid whose potential we couldn't see!

Potential is the mind's right to imagine, the body's right to move and the soul's right to believe in itself. At the YMCA we believe potential is every kid's right, every kid's advantage, every kid's secret weapon. Because the one thing about potential is you don't want it to just stay potential - you want it to become everything it can be, in every kid!

summer fun starts here.

The YMCA is a safe, welcoming place where we nurture every kid to reach their full potential. That's at the heart of everything we do.

Our Camps are a place of friendship, fun and learning where all kids can feel like they belong!

Sault Ste. Marie YMCA Summer Day Camps have been making warm summer memories and providing fun camp adventures for decades. We believe camp is like no other childhood experience – one that every child deserves – where everyone is welcome and everyone matters.

We are committed to investing in the potential of every child. That means partnering with you, as parents and caregivers, to help us get to know your child and help them become who they want to be. All YMCA Camps are guided by YMCA values and are carefully designed to support and challenge campers, ages 4-12. Participation in camps enhances the development of self-esteem, self-confidence and overall personal growth in mind, body and spirit.

We know there are many reasons for choosing YMCA Camps as a summer vacation destination. Ultimately, it all comes down to one thing: The YMCA is a home away from home where campers are given skills, opportunities and support to realize their full potential within the camp community. Committed staff, dedicated to creating a safe, fun and memorable camp experience, have been hired to help campers reach their goals.

We believe every child should have the chance to take part in the excitement of a camp experience! We hope to see your child at one of our amazing camps this summer!

OUR MISSION

The Sault Ste. Marie YMCA is a charitable organization that promotes the development of spirit, mind and body by encouraging healthy lifestyles, personal growth and service to the community.

WHAT YMCA DAY CAMPS MEAN TO PARENTS

As the leading provider in both camping and child care in Canada, we have provided quality learning environments to children for more than 100 years.

Our staff are well-trained, imaginative, committed and caring. That means you, as a parent, can feel comfortable and secure about bringing your children to YMCA Day Camps.

WHAT YMCA DAY CAMPS MEAN TO YOUNG PEOPLE

YMCA Day Camps are places for fun, friendship and adventure. They're places where young people, ages 4-12yrs, can learn, explore and expand their creativity and develop skills while having a good time.

This is a place where campers learn many recreational activities and play in a friendly and fair environment. Traditional camp activities, crafts, songs and games, are a part of your child's experience.

Whether campers are shooting hoops, exploring the community or getting in touch with their creative side, YMCA Day Camps are a place for sharing, caring and growing.

*Sincerely,
Your YMCA Day Camp Team*

The most fun a kid can have in one summer!

While each YMCA Day Camp has its own unique atmosphere and program focus, the overall purpose is to provide opportunities and experiences that promote individual growth and development in spirit, mind and body. We accomplish this goal through the embodiment of our core values - caring, honesty, respect, responsibility and social inclusion - in all of our programs and services.

COMMUNICATION

Open communication is just as important to us as the delivery of high-quality camp experiences. For that reason, we strive to communicate with families before and after every session. On the first day of camp, our co-ordinators send home a letter and weekly schedule outlining camp information. On the last day of camp you will receive a survey we ask you to complete. These surveys are important as they assist us in developing, improving or maintaining camps to meet the needs of our community. Also, these surveys are used to measure our performance, compared to other YMCA Day Camps across the country.

If you have questions or concerns, please feel free to contact your camp staff team. All contact information will be listed on the newsletter.

CHILD PROTECTION

All visitors to the Sault Ste. Marie YMCA must scan their membership or companion cards or present government-issued photo identification in order to enter the facility. Camp Councilors will require that parents/guardians provide government-issued photo identification for signing campers in and out of camps.

STAFF

At the YMCA we pride ourselves in hiring the most qualified camp staff. All staff hold current Standard First Aid and CPR-C certification, and complete a training program prior to camp that includes Healthy Child Development, safety and emergency procedures. Staff 18 years and over have completed a Criminal Reference Check. All lifeguards hold National Lifeguard certifications. Most importantly, our staff is committed to the well-being of your child.

HEALTH AND SAFETY

At YMCA Day Camps, the health and safety of your child is our first priority. The Sault Ste. Marie YMCA is a well-equipped health and wellness centre and has support staff who are trained to handle emergencies.

The YMCA does not guarantee a nut-free facility. If your camper has a nut allergy, please include this information on the registration and medical forms. *All camps are subject to change to be in accordance with Algoma Public Health guidelines.

THE YMCA CAMPER CODE OF CONDUCT

One of the goals of the Sault Ste. Marie YMCA is to provide healthy, safe and secure environments. To help us achieve this we encourage personal growth by providing kids with character-building values that help them grow into responsible and caring adults. We offer safe and fun summer camps supervised by mature, responsible and enthusiastic staff.

To help ensure this goal is met, campers are expected to follow the Code of Conduct and to interact appropriately.

As a camper, I pledge that:

- I will make honesty the basis of all relationships and interactions;
- I will care for myself, those around me and our environment;
- I will accept all campers and allow each camper equal opportunities and involvement;
- I will respect myself, others and our environment
- I will be responsible for my own actions, attitudes and behaviours.

The Y is a place where kids can feel like they belong. While each YMCA Day Camp has their own unique atmosphere and program focus, the overall purpose is to provide opportunities and experiences that promote individual growth and development in spirit, mind and body. At the YMCA kids can grow up with the tools they need to succeed!

Algoma Public Health Summer Camp Guidelines

Requirements for Health and Safety

1. All children and staff must wear masks.
2. Ensure all current infection prevention and control practices are adhered to.
3. Encourage physical distancing of at least 2 metres between camp participants, parents/guardians and staff.
4. Operate programs in consistent cohorts of no more than 10-15 individuals including both staff and camp participants who stay together throughout the duration of the program for a minimum of 5 days.
5. Avoid getting close to faces of camp participants, where possible.
6. Avoid singing activities indoors and ensure physical distancing for singing outdoors.
7. Do not use water or sensory tables.
8. ****Do not plan field trips and activities requiring group transportation. **Tentative**
9. Aquatic activities must adhere to regulated requirements as well as to municipal guidance and restrictions at the time of activity.
10. Do not plan activities with exposure to animals or pets.
11. Do not plan activities that involve camp participants in preparing or serving food.
12. If meals or snacks are provided by the program or brought by the camp participant, proper hand hygiene must be followed and each participant must have their own drink bottle that is labeled, no food sharing, and physical distancing should be maintained while eating.
13. Pick-up and drop-off of camp participants should happen outside the program setting unless it is determined that there is a need for the parent/guardian to enter the setting.
14. Pick-up and drop off procedures should support physical distancing and cohorting using strategies such as, but not limited to: avoiding group transportation, separate cohort entrances, having one designated parent/guardian pick-up and drop-off each camp participant, staggering entry, or limiting the numbers of people in entry areas.
15. **Under the provincial guidelines, we are not permitted to use indoor pools at this time.**

Screening

1. All individuals, including camp participants, parent/guardians, staff and visitors must be screened including daily temperature checks either at home prior to arrival or upon arrival at program setting prior to entry. Deny entry to any individual who has any of the symptoms outlined in the COVID-19 Reference Document for Symptoms on the Ministry of Health's COVID-19 website or who has come in close contact with a person with symptoms of or confirmed case in the past 14 days. Camp participants, in particular, should be monitored for atypical symptoms and signs of COVID-19.
2. Where possible, daily screening should be done electronically, at home as you would for school.
3. Alcohol-based hand sanitizer containing at least 60% alcohol content should be placed at all screening stations and entrances to the program.
4. Thermometers must not be used between camp participants/staff without single use protective covers or disinfecting between use.
5. Do not permit camp participants who are ill to attend the program.
6. Programs must have protocols in place to notify parents/guardians if their camp participants begin to show symptoms while in camp, including the need for immediate pick-up and an area to isolate the camp participant until pick-up.
7. Programs must keep daily records of anyone entering the program setting who stays for 15 minutes or longer. Records must be kept up-to-date and available to facilitate contact tracing in the event of a confirmed COVID-19 case or outbreak.

For a more in-depth explanation of the Health and Safety guidelines, please visit the [Ministry of Health \(MOH\) COVID-19 website](#).

YMCA Camp Expectations

STANDARDS OF BEHAVIOUR

Everyone has the right to feel safe and be safe at YMCA Day Camps. With this right comes the responsibility to respect all people involved in Day Camps and to take pride in making Day Camps a positive place.

All Sault Ste. Marie YMCA Day Camp participants are encouraged to:

- Demonstrate the YMCA core values of honesty, caring, respect, responsibility and social inclusion;
- Respect and comply with all YMCA Day Camp policies and procedures;
- Respect differences in people, their ideas, and opinions;
- Show proper care and regard for the natural world, camp property and the property of others;
- Not inflict or encourage others to inflict bodily harm on others;
- Take appropriate measures to help those in need and, if necessary, seek staff assistance to resolve conflict peacefully;
- Respect persons who are in a position of leadership;
- Respect and comply with all applicable federal, provincial and municipal laws.

WEATHER/SUN SENSE

YMCA Day Camps involve a great deal of outdoor time. To ensure every child can fully participate in all outdoor and indoor activities, campers must bring suitable clothing for all types of weather. Sunscreen, sunglasses, a hat and water bottles are required for all Day Camps. Bug spray is also suggested for Camp St. Kateri. It is important that campers understand the importance of sunscreen and bug spray AND know how to apply both before coming to camp. Due to circumstances, campers must be responsible for themselves when applying sunscreen and insect repellent.

BEHAVIOUR GUIDELINES

When a child does not follow the standards of behaviour guidelines, we take the following steps:

1. Staff directs the child to more appropriate behavior;
2. The child is reminded of the behaviour guidelines and rules and a discussion takes place;
3. Staff notifies the Day Camp manager and supervisor;
4. If the behaviour persists, a parent is notified of the problem and the staff documents the situation;
5. Staff schedules a progress check or a follow-up conference;
6. If the problem persists, staff schedules a conference that includes the parent, child, staff, and the Day Camp manager and supervisor to discuss a solution that best suits the needs of everyone;
7. If a child's behaviour at any time threatens the immediate health or safety of anyone, the parent is notified and instructed to pick up the child immediately;
8. If the problem persists and a child continues to disrupt the program, the Sault Ste. Marie YMCA reserves the right to suspend the child from the program.

I have read and agree to the Standards of Behaviour, the Behaviour Guidelines and the Cancellation/Change Policies listed in the Summer Camp brochure and will review this information with my child.
