Sport Conditioning
(Fitness Studio)

11:45am-12:15pm
Youth HIIT
(Fitness Studio)

- Clean all equipment after use.
- Respect class size limits – wait outside of Studio until previous classes are cleared out.

Class Descriptions

Aquafit: This total body conditioning class combines cardiovascular training with strength benefits using the water as resistance. It is taught with both shallow and deep water (suspended) options so you can choose which end of the pool is best for you! Experience the benefits of water exercise with this low impact workout that is easier on the joints and allows for a gentle extension of your range of motion. Located in the pool.

Intermediate.

Aqua R.O.M: Using light strengthening exercises and relaxation in the warm waters of the leisure pool, Aqua R.O.M (Range of Motion) encourages use of full range of motion in easy movements. This class can help those with arthritis, joint issues and low mobility. Located in the Pool.

Beginner.

SILVER HIIT h2o: Take your HIIT to the water! High Intensity Interval Training is low to moderate intensity intervals that are alternated with high intensity intervals coinciding with the properties of water set at a slower pace for those just beginning or the older adult looking for something different. Located in the Pool.

Intermediate.

Aerobics & Bollywood Dance: A fusion of various Indian and other styles of dance for a fun, high energy class. Come feel the music in this class where there are no defined dance rules. Located in the Studio. Intermediate.

Barre: Barre is a hybrid workout class - combining ballet-inspired moves with elements of Pilates, dance, yoga and strength training. This class incorporate a ballet barre and use classic dance moves such as plies, alongside static stretches. Barre also focuses on high reps of small range movements. The classes will improve your balance, build strength, make you more flexible, burn calories, and improve stability through a stronger core. As you get more comfortable and fit, you can ramp up the intensity by adding weights and more challenging moves. Intermediate.

Cyclefit: Train your cardiovascular system on the stationary bike. Join the instructor in a class that is music-driven to train for endurance, get your heart pumping, and your legs moving. In a class, you will experience high-intensity drills, strength climbs and endurance rides, with the ability to do it all at a pace that suits you best.

Advanced.

Cardio Kick & Core: A high energy class of boxing movements and core techniques that will kick your cardio fitness to the next level. Located in the Studio.

Intermediate to Advanced.

Core Conditioning: A whole-body workout that can improve your overall fitness. This class involves a combo of cardio & strength exercises (with a strong focus on the core mat Pilates style), finishing off with stretch, breathing and muscle relaxation. Located in the Studio.

Intermediate to Advanced.

Forever Fit/Fun Fitness: This class has the benefit of improving posture, balance, coordination, range of motion, and flexibility. It involves low impact cardio and the use of light weights. Located in the Studio.

Beginner to Intermediate.

Glide It Out: A class utilizing gliders that target strength gain, fat burn & overall body coordination. This class offers a new challenge for familiar exercises.

Intermediate to Advanced.

Hiit Strength & Core: A HIIT style class focusing on weight training & improving core strength. This class uses bars & free weights for a whole body burn.

Intermediate to Advanced.

Joints In Motion: Enjoy mild strengthening and stretching exercises. This program can be for older adults and anyone needing slow gentle movement. Mondays & Wednesdays: Located in the studio. Fridays: Located in the Auditorium.

Beginner.

Line Dancing: Get moving and learn how to line dance. Several dances will be taught during this social and fun filled time. The first 30 minutes of the class is for beginners. Located in the Studio.

All levels.

Mobility & Flexibility: Lengthening and strengthening are important aspects of training. The Mobility & Flexibility class is a natural movement class which is great for recovery, to help keep you moving without pain, increase body awareness and leaving you feeling renewed and relaxed.

All levels.

Muscle Fit: Strength training exercises using hand weights, body bars, stability balls and more. Perfect for all levels of fitness. Located in the Studio.

Intermediate to Advanced.

Stretch & Strength: Learn to strengthen your core, balance and flexibility. Learn functional movements and train to help lower the chance of injury and prepare you for daily tasks. Therabands and other equipment will be used. Located in the Studio.

Intermediate to Advanced.

Strong 30: Start training to the beat. STRONG 30™ combines body weight, muscle conditioning, cardio, plyometric and explosive moves like high knees, burpees, and jumping jacks all SYNCed to original music. Located in the Studio.

Advanced.

Tabata Tuesday: A form of high intensity interval training, Tabata has you working for 20 seconds then resting for 10 seconds throughout 8 cycles. Located in the Studio.

Intermediate to Advanced.

The Greatest HIIT'S: Bring your energy & imagination because this class follows a new circuit based on workout every week.

Intermediate to Advanced.

Yoga: Join us for Yoga as we move through different poses with different focuses each class. Explore your range of motion, flexibility and breath in these all-levels classes.

All levels.
