## YMCA MEMBERSHIP FINANCIAL ASSISTANCE PROGRAM—APPLICATION

The Sault Ste. Mari YMCA financial assistance program is available to members of our community who are unable, but not unwilling, to pay the full fee to become a member of the YMCA.

Our aim is to ensure fairness for all individuals in need of assistance, facilitating their participation by requesting disclosure of all income and funding sources and conducting a review of their financial situation every 12 months. This approach aims to eliminate barriers to participation and maintain equity throughout the process.

The level of assistance provided is based on need, support is directed to those who genuinely need it while also safeguarding the integrity of the assistance program.
