Aerobics and Bollywood Dance

A fusion of various Indian and other styles of dance for a fun, high energy class. Come feel the music in this class where there are no defined dance rules.

Intermediate.

Aqua Fit

This total body conditioning class combines cardiovascular training with strength benefits using the water as resistance. It is taught with both shallow and deep water (suspended) options so you can choose which end of the pool is best for you! Experience the benefits of water exercise with this low impact workout that is easier on the joints and allows for a gentle extension of your range of motion. *Intermediate.*

Aqua R.O.M.

Using light strengthening exercises and relaxation in the warm waters of the leisure pool, Aqua R.O.M (Range of Motion) encourages the use of a full range of motion in easy movements. This class can help those with arthritis, joint issues and low mobility. *Beginner.*

Core Conditioning

This class is designed to build core strength and other stabilizing muscles while improving posture through a variety of exercises. A variety of equipment will be used, and the instructor will provide plenty of guidance throughout the workout. Located in the fitness studio. *All Levels.*

Cycle Fit

Train your cardiovascular system on the stationary bike. Join the instructor in a class that is music-driven to train for endurance, get your heart pumping, and your legs moving. In a class, you will experience high-intensity drills, strength climbs and endurance rides, with the ability to do it all at a pace that suits you best. *Advanced.*

Forever Fit / Fun Fitness

This class has the benefit of improving posture, balance, coordination, range of motion, and flexibility. It involves low impact cardio and the use of light weights. Beginner to Intermediate.

Full Body Blitz

A combination of strength, cardio and core with timed intervals of work and rest to keep your heart rate up and get those calories burning! *Intermediate to Advanced.*

Joints in Motion

Enjoy mild strengthening and stretching exercises. This program can be for older adults and anyone needing slow gentle movement. *Beginner.*

Low Impact Aerobics

A low impact class combining aerobic and bodyweight exercises to strengthen and tone the body with minimal stress on the joints. *All Levels.*

Muscle Fit

Strength training exercises using hand weights, body bars, stability balls and more. Intermediate to Advanced.

Rhythmic Beat Based Spin

We're putting our SPIN on cycling, in a music beat based way! Feed off the incredible instructor's energy in the room with a combination of endurance and strength building. A whole total body workout that you won't regret! The music is loud, and the lights are glowing to give the motivation and endurance you need with a mix of fast sprints, heavy climbs, push-ups, jumps and more all timed to the beat of the music. You'll be counting down the hours until you're back on the bike and in our kickass beat-based class. See you there! *Intermediate to Advanced.*

Step Aerobics

Step aerobics is a fun choreographed cardiovascular workout utilizing 4-10- inch platforms to increase the intensity. As well as being an excellent fat burner, step aerobics strengthens the core and targets key muscle groups. *All Levels.*

Stretch and Strengthen

Using therabands and other equipment to enhance your core strength, improve balance, and increase flexibility. This class will train functional movements to reduce the chance of injury while making activities of daily living easier. *Intermediate to Advanced.*

Zumba / Zumba Gold

A cardio workout with Latin flavor and international zest. Zumba Gold is a cardio workout at a little slower pace. *All Levels.*
