# Welcome to the YMCA!

Whether you are looking to improve your fitness, find high-quality licensed child care, make memorable experiences for your family, or looking for support as a newcomer to Canada, the Sault Ste. Marie YMCA is ready to help!

The YMCA is more than a fitness centre. It is a movement dedicated to the growth of all persons in spirit, mind and body, and to their sense of responsibility to each other and the community. Building healthy communities through the power of belonging stems from our values of caring, honesty, respect, responsibility and inclusiveness. These are central to our mission, guiding our behaviours, attitudes and actions.

When you join the Y, you become part of this mission, helping strengthen your community not only through your own journey, but also by helping make available programs and services for children, youth, adults and families who may not otherwise be able to access them.

The Sault Ste. Marie YMCA is a charitable organization that promotes the development of spirit, mind and body by encouraging healthy lifestyles, personal growth and service to the community.

Our commitment is to strengthen the foundations of community by nurturing the potential of children, teens and young adults; promoting healthy living; fostering a sense of social responsibility; and delivering lasting personal and social change.

An appointment is required and more than one orientation is allowed if needed. Come prepared with proper attire including indoor shoes.

# AQUATICS

## Swim Lessons

The qualified staff at the YMCA are committed to maximizing our members' swimming skills and knowledge of the water. Lakes are typically unsupervised areas, and we want to help all our families stay safe on their trips to camp and the beach.

Swim programs are available for toddlers, kids, and adults of any level. Youngsters will develop skills and confidence in the water with our uniquely progressive, play-based approach to learning. In addition to various movement and swim skills, our lessons include basic boating skills and seasonal water safety.

Caregivers are required to bring their children onto the deck and pick them up when they are finished. For the safety of those on deck and in the pool, only caregivers of children under seven (7) years of age are permitted on the pool deck during lessons for any level. A guardian should be present on deck for children under 7 years of age. We ask that alternatively, caregivers watch their swimmer(s) from the Viewing Gallery on the main level.

A soap shower is required to rinse away dirt, oils and personal care products from the skin's surface prior to entering the pool (s) and/or whirlpool. (Reg. 565, S.19(2))
