The YMCA Child Care has been approved by the Sault Ste. Marie District Social Services Board to participate in the Canada Wide Early Learning and Child Care System (CWELCC). By being approved to participate, the YMCA is able to provide reduced parent fees for children ages 0 to 6 years of age in order to offer quality licensed childcare that is more affordable and accessible to the families in our community.

Fees are calculated based on the number of days per month your child is enrolled. There are no deductions provided for absences. **All absences must be paid in full.**

Please be advised that children must be enrolled a minimum of two days per week. These days must be the same days every week.

Child care fees are paid by pre-authorized payments. Please provide either a void check or credit card information at the time of registration.

The YMCA will initiate collection proceedings to collect unpaid accounts. If you are delayed beyond regularly scheduled program hours, a supplementary fee of \$1.00 for every minute will be charged to your child care account.
